- Q.5** What is part of speech? Name them with their kinds.
- Q.6** What is clause? Explain all clauses with their types and examples.
- Q.7** What is the difference between sentence & clause? Give the types of clause with example.
- Q.8** Read the following poem carefully and answer the question given below as briefly as possible.

**NIGHT**

The sun descending in the west,  
 The evening star does shine,  
 The birds are silent in their nests,  
 And I must seek for mine,  
 The moon, like a flower,  
 With silent delight  
 Sits and smiles on the night.

Farewell, green fields and happy groves,  
 Where flocks have took delight,  
 Where lambs have nibbed, silent moves,  
 The feet of angels bright,  
 Unseen they pour blessing,

And joy with ceasing,  
On each bud and blossom,  
And each sleeping bosom.

- (a) Why do you think the poet says that the moon smiles?
- (b) What does the following line mean? and I must seek for mine.
- (c) Where and when do the angels come?
- (d) Give a suitable title to the poem.
